Matt Brown presented this item and informed the board that the drafts would not be discussed or voted on at the meeting because there were too many variables to be settled from the State at this time and that a draft budget would be provided at the May meeting. He reminded the board that the full budget would be voted on in June along with the LCAPs.

#### **E. 23/24 Teacher Salary Schedule**

J. Lobdell made a motion to Approve the 2023-2024 Teacher Salary Schedule.

S. Burrows seconded the motion.

Matt Brown presented this agenda item and explained that TEACH might be losing good candidates in the hiring process because other charter schools are offering enticing bonuses to new teachers. He explained that the current salary schedule is competitive with other charters in Los Angeles as well as LAUSD, although the LAUSD compensation schedule is difficult to discern. Board member Lobdell asked for more details about the comparisons and Matt explained TEACH was on par with Alliance, the highest paying charter, in the early years of service, but is less competitive with them as the years experience reach 20 plus years. Board Member Sanjay asked about additional bonuses

for hard to fill positions and Matt replied that with this proposal TEACH would be able to incentivize those hard to fill positions such as math, science and special education,. The board **VOTED** to approve the motion.

Board member Lobdell asked if the delay would hurt TEACH Public Schools and Matt explained that it would not because the cash position was healthy. Board member Burrows asked for assurance that there would not be a loan and Matt assured him there would not be.
